\$3,664 49

Indebtedness of town above assets March

1, 1892 \$ 1,839 02

Indebtedness increased during the year 1,223 35

I have examined the books and accounts of the Selectmen and Treasurer and find them correct.

The increase of the debt this year, instead of the decrease as made last year, is shown by the fact that there was \$5,750 00 less raised by the town in March 1891, than the year previous. The expense this year for text books and supplies was \$944 30 for which no provision was made: also an extra expense for highways and bridges of \$400 00 and an increase for the support of town paupers of \$525 00.

Respectfully submitted,

O. G. HALE, Auditor.

TOWN SCHOOL BOARD.

LIBRARIAN'S REPORT.

During the year ending February 1, 1892, 187 cards have been issued, making in all 1,151.

In all, 12,895 books have been loaned, an average of 248 per week. Of these, 74 per cent. were fiction, 7 per cent. books of travel, 4 per cent. history, 3 per cent. biography, and the rest distributed among literature, science, and miscellaneous subjects.

There are now 4,305 volumes in the Library, 895 having been added during the year. Of these, 498, including 100 volumes of public documents, were obtained by donation, and 397 by purchase.

JULIA A. EATON, Librarian.

REPORT OF THE TRUSTEES OF THE TOWN LIBRARY.

The condition of the Library will sufficiently appear from the Librarian's Report, herewith submitted, and the use made of the appropriations of last year is shown by the Treasurer's Report. The appropriation for printing a catalogue has not yet been drawn upon, but the former Librarian, Miss Farr, has been employed by the Trustees to prepare such a catalogue as would be useful, and after some months of work the copy is ready for the printer. It is hoped that the catalogues may be put on sale by June 1st.

Respectfully submitted,

EDGAR ALDRICH,
ELIZA I. BINGHAM,
LUCIUS WATERMAN,
FRANK C. ALBEE,
ANNA L. BRACKETT,
JAMES R. JACKSON,
CHAS. F. EASTMAN,
MANDANE A. PARKER,
D. P. DAME,

} Trustees

TO THE LITTLETON FIRE DISTRICT:--

The undersigned, a committee elected at the last annual meeting to procure a fire alarm system for the District, respectfully report that after an investigation of the merits and cost of several manufactures they made a contract with George H. Stevens, of Boston, Mass., to put in his system, to consist of two strikers to be located in the towers of the Methodist Episcopal and Congregational churches; six fire alarm boxes to be located by the officers of the District; three tappers to be located in the residences of the chief engineer and two of the firemen; to furnish batteries, wire, and all other necessary apparatus to construct the system and put the same in operation to the satisfaction of the committee, for \$1,000 The system was completed and put in operation Oct. 1st, 1891, and accepted by the committee.

We have heard no complaints, and for this reason believe it has given satisfaction to the fire department and the district, and trust its frightening alarm will not be more unpleasant in the future than it has been in the past.

The two churches named very kindly permitted the district to use their church towers for the use of strikers, and the Littleton Water and Electric Light Company the use of their poles for about two and one-half miles upon which to string the wires.

We would recommend that the District cause to be printed suitable cards of a sufficient number to supply all the public buildings, dwellings, offices and stores in the District, giving location of boxes, number, and proper instructions as to obtaining key and in ringing in the alarm in case of fire.

Respectfully submitted,

B. H. CORNING,	}	Committee on Fire Alarm.
O. G. HALE,		
JOHN A. FOGG,		

LITTLETON FIRE ALARM.

LOCATION OF BOXES.

- No. 42, Corner of Union Street and Lafayette Avenue.
No. 43, Corner of Cottage and South Streets.
No. 44, Near the entrance to the Opera House.
No. 45, Corner of High and School Streets.
No. 46, Saranac Street near Edward Buckley's.
No. 47, Main Street near William Blake's.
-

DIRECTIONS.

The glass covered box on side of alarm boxes contains the key; get the key by breaking glass, and open alarm box; pull down the hook, letting go at once. For second alarm pull down the hook after first alarm has rung.

The alarm will indicate the station from which the signal was given. Thus, a signal given at Station No. 42, will be sounded by four strokes of the bell, followed by two strokes. This will be repeated so that notice will be clearly given that a fire has broken out in the vicinity of Station 42, if that be the case, because the alarm sounds a *four*, by four strokes of the bell and a *two*, by two strokes of the bell. In this way Station *Forty-two* is indicated. The other stations will be indicated in a similar manner, the second number struck by the alarm bell corresponding to the number in unit's place, either 2, 3, 4, 5, 6, or 7, as the case may be.

FIRE REGULATIONS.

The Firewardens of the Littleton Fire District have established the following regulations for the better protection of property in this District, in compliance with Sec. 9, Chap. 94, of the General Statutes :

All persons having the care or charge of ashes are strictly forbidden to keep or store any ashes nearer than 100 feet to any building unless they are kept in an iron brick or metallic receptacle.

The above regulation shall be in force from and after the First day of February, 1876. Any person guilty of a violation of the above regulation shall be liable to a penatty of twenty dollars for each offence.

E. D. DUNN, CHARLES NURSE, J. L. WHITTAKER, CURTIS GATES, C. H. GREENE.	}	Firewards of Littleton Fire District.
---	---	---

REPORT OF THE FIREWARDS.

TO THE INHABITANTS OF LITTLETON FIRE DISTRICT :

The Firewards wish to say that the fire company is well equipped with all necessary apparatus, excepting perhaps an extension ladder, that could be used on the South side of Main Street where there are so many wires running that should it be necessary to run up a ladder one of the ordinary kind could hardly be put up, while an extension ladder could be run up anywhere and would be a valuable addition to the equipments now in the Hose House.

There have been no fires within the limits of the district the past year, but at the same time there should be the same precautionary measures taken to avoid them. All should look well to the places where ashes are deposited, and where oils and shavings and other combustibles are kept.

To us it seems that there should be some other arrangements made about the sprinkling of the streets. The present system of bidding it off by the tub at the lowest possible price, and then having it done according to the price paid, while all the people on the street are kicking because it is not done to suit them, yet they never go to the meetings and give support for a different manner of doing it, and at the same time will kick all summer at the Firewards. The *old tub* is hardly a suitable sprinkler where there is so much ground to be covered, and will probably not stand it more than a year or two at the longest. There should

be a sprinkler of more modern make that would do the business better. Then let the job in some other way or hire it done by the hour, and then people would be better satisfied and the Firewards would not have to stand the kicks and "cusses" that they now do.

STATE OF NEW HAMPSHIRE.

To the legal voters of the Littleton Fire District qualified to vote in District affairs :

You are hereby notified and warned to meet at the Hose House in said Littleton on Tuesday, the fourteenth day of April next, at seven o'clock, p. m., to act upon the following subjects, viz :

- I. To choose a moderator for the ensuing year.
- II. To choose a clerk for the ensuing year.
- III. To choose five firewards for the ensuing year.
- IV. To see how much money the District will vote to raise for the prevention and extinguishment of fires.
- V. To see how much money the District will vote to raise for sprinkling the streets.
- VI. To see what action the District will take in regard to putting in a fire alarm.
- VII. To act upon any other subjects that may regularly come before said meeting.

Given under our hands and seal this 27th day of March, A. D. 1891.

A. J. CRAM,	} Firewards.
C. R. COBURN,	
JOHN A. FOGG,	
W. M. SILSBY.	

RECORD OF MEETING APRIL 14, 1891.

The meeting was called to order by A. S. Batchellor, who read the warrant. The following business was then transacted :

I. Chose by ballot A. S. Batchellor Moderator for the ensuing year, who, being present in open meeting, took the oath of office.

II. Chose by ballot S. W. Hodgman, Clerk, for the ensuing year, who, being present in open meeting, took the oath of office.

III. Chose by ballot the following named persons as Firewards for the ensuing year : E. Young, C. R. Coburn, J. A. Fogg, W. M. Silsby, H. A. Eaton ; and E. Young, J. A. Fogg, W. M. Silsby and H. A. Eaton being present in open meeting took the oath of office.

IV. It was voted to pass over Art. 4 for the time being and take up the reports of officers.

V. The Treasurer being absent his report was read by the Moderator, and it was voted to accept and adopt it.

VI. It was voted to take up and consider Art. 6.

VII. It was voted to pass over Art. 6.

VIII. It was voted to reconsider the vote to pass over Art. 6.

IX. It was voted that the Chair appoint a committee of three to investigate as to the needs of a fire alarm and report at an adjourned meeting, and J. A. Fogg, O. G. Hale and B. H. Corning were appointed.

X. It was voted that the Committee on Fire Alarm be authorized to purchase and put in place and operation a Fire Alarm apparatus if it should appear to them to be advisable.

XI. Art. 4 was taken up and it was voted that the sum of \$2,800 be raised for the purposes named therein.

XII. It was voted that the vote by which \$2,800 was to be raised be reconsidered.

XIII. It was voted that Arts. 4 and 5 be taken up and considered together.

XIV. It was moved to amend the motion of Mr. Green's to raise \$2,800 for the purposes named in Art. 4, so that the sum of \$2,800 be raised for the prevention and extinguishment of fires and sprinkling the streets, and the motion as amended was put to vote and carried in the affirmative.

XV. It was voted that the Firewards be authorized to borrow on the credit of the District, in addition to the sum available out of the \$2,800, the amount voted to be raised for the prevention and extinguishment of fires and the purchase of Fire Alarm, a sum not to exceed three hundred (\$300) dollars, if the Committee already appointed should find an additional sum necessary, and inform the Firewards in writing to that effect.

XVI. O. G. Hale was chosen Auditor for the ensuing year.

XVII. It was voted that the Firewards be directed to cause their report and recommendations and the reports of the Treasurer and Auditor for the past year to be printed in pamphlet form at the expense of the District, and that hereafter they be directed annually

to prepare and have such reports printed in like manner and distributed before the Annual Meeting.

XVIII. It was voted that the Firewards be authorized to contract for not more than three hydrants, additional to those now rented by the District, for the protection of property on the the westerly part of High street, and on School, Church, or Maple streets, at the price paid for other hydrants; provided, they find it is advisable by reason of the necessities of the case or the extension of the District, and that the Firewards be directed to petition for the proper extension of the District.

Voted to adjourn.

A true record. Attest,

S. W. HODGMAN, Clerk.

BOUNDARY OF THE LITTLETON FIRE DISTRICT.

The Littleton Fire District, including the additions surveyed January 13th, 1885, bounded and described as follows :

Beginning on the river at the south-east corner of H. H. Eaton's house lot, formerly owned and occupied by E. C. Moulton, thence up the river to the lower railroad bridge, thence on the northerly line of the railroad to the river at the upper railroad bridge, thence up on the right bank of the river to a stake and stones, thence north 30° west across the highway to the south-west corner of Chas. A. Farr's house lot, thence on the old line of the Fire District to the south-east end of Oak Hill avenue, thence north-westerly along the centre of said avenue to School street, thence south-westerly along said School street to High street, thence on the old line of the District to the north-west corner of lot occupied by C. H. Green, thence north 45° west fifteen rods and twenty-two links to the north-west corner of S. F. Simpson's house lot, thence south $42^{\circ} 30'$ west to the south-west corner of said Simpson's lot, thence on the same course of south $42^{\circ} 30'$ west to the Ammonoo-suc river, thence up said river to the south-east corner of H. A. Eaton's house lot to the bounds begun at.

RAY T. GILE, Surveyor.

GEORGE FARR, }
WILLIAM H. BLAKE, } Selectmen of
 } Littleton.

Attest—RAY T. GILE, Clerk of District.

ENLARGEMENT OF LITTLETON FIRE DISTRICT, ADOPTED MAY 14, 1887.

The following change in the boundaries of the Littleton Fire District was adopted May 14th, 1887 :

Beginning at the north-east corner of Charles Lovejoy's house lot, on the line of the old Littleton Fire District, thence westerly across the land of Dr. Chas. Tuttle to the north-east corner of Eli D. Sawyer's field, thence westerly on the northerly line of said Sawyer's field to the east line of Auburn street, thence southerly on the east line of Auburn street to Main street, thence south across said Main street to land of Glenwood cemetery, thence easterly on the southerly side line of said Main street to the north-westerly corner of the lot of Frank Veniou's house lot, thence on the westerly and southerly side line of said lot to the south-easterly corner thereof, thence by the north-easterly corner and the easterly side line of land of Harry A. Johnson to Meadow street, thence across said street southerly to the north-west corner of a house lot of Dr. B. F. Page, thence on the westerly line of said lot and in the same direction to the Ammonoosuc river, thence across said river to the southerly bank thereof, thence up the line of the said river, easterly, to the mouth of the Curtis Brook, so-called, thence up the line of said Curtis Brook to the line of the Mt. Eustis road, so-called, thence easterly on the line of said Mt. Eustis road to Cottage street, so-called, thence southerly to a road

leading easterly from Cottage street to Willow street, thence easterly on the line of said road to the east line of Willow street, thence north on the line of said street to the south-west corner of Lorenzo I. Brown's house lot, thence easterly on his line to his south-east corner, thence northerly on the easterly line of the first tier of house lots on Willow street to the south line of the house lot occupied by Robert Meiner, thence easterly on the first tier of house lots on the south side of Grove street to the south-east corner of L. E. Dearborn's house lot, thence northerly across said Grove street and westerly to the south-east corner of Henry Langdon's lot, thence northerly on his east line to his north-east corner, thence northerly to the old Fire District line at the upper railroad bridge.

EXTRACTS FROM THE PUBLIC STATUTES RELATING TO THE DUTIES OF MUNICIPAL OFFICERS RELATIVE TO REPORTS OF VILLAGE DISTRICTS.

CHAPTER 53, Sect. 14. The clerk of any district having firewards or engineers shall forthwith, after their election, from time to time report their names and post-office addresses to the Town Clerks of the towns in which the district is situated: and if he fails to do so, he shall be fined twenty dollars, one-half for the use of the complainant and the other half for the use of the town.

CHAPTER 43, Sect. 3. Every town clerk, within thirty days after the annual meeting, shall report * * * to the insurance commissioner * * * [the names and post-office addresses] of the local firewards. He shall also make like reports concerning such local officers elected or appointed at other times, immediately after their election or appointment. * * * Any Town Clerk who neglects to make reports as required by this section shall be subject to pay a fine of twenty dollars for each failure, one-half for the use of the department to which he fails to report and the other half for the use of the town.

CHAPTER 43, Sect. 16. The chairman of the board of selectmen of towns and of commissioners of village districts shall transmit to the State Librarian and to the New Hampshire Historical Society, each two copies of all printed reports of the officers of their respective towns and village districts, immediately after the same are published.

LITTLETON, N. H.:
Courier Publishing Company, Printers,
1892.

CHAPTER 53. GENERAL LAWS.

SECTION 1. Upon petition of ten or more legal voters, inhabitants of any village situate in one or more towns, the selectmen of such town or towns shall fix, by suitable boundaries, a district including the village and such adjacent parts of the town or towns as may seem to them convenient, for any or either of the following purposes: The extinguishment of fires, the lighting or sprinkling of streets, the planting and caring for shade and ornamental trees, the supply of water for domestic and fire purposes, the construction and maintenance of sidewalks and main drains or common sewers, and the appointing and employing of watchmen and police officers. They shall cause a record of the petition and their doings thereon to be recorded in the records of the town in which the district is situate.

SECTION 2. Such selectmen shall also forthwith call a meeting of the legal voters residing in the district to see if they will vote to establish the district, and if so to choose necessary officers therefor. They shall call the meeting and give notice thereof as town meetings are called and warned, excepting that the warrant should be posted at two or more public places in the district.

SECTION 3. At such meeting the legal voters may by vote establish the district, give to it a name, and choose necessary officers therefor to hold office until the first annual meeting thereof; and the district shall thereupon be a body corporate and politic, and have all the powers in relation to the objects for which it was established that towns have or may have in relation to like objects, and all that are necessary for the accomplishment of its purposes.

SECTION 4. The selectmen of towns in which any such district has been established, upon petition, after notice to parties interested and a hearing, may change the boundaries thereof; and

the district shall cause the petition and the return of the selectmen's proceedings and decision thereon to be recorded in the records of the district and of the towns in which it is situated, within sixty days after the decision.

SECTION 5. A district established for any of the purposes mentioned in section one may from time to time by vote add thereto any other of said purposes; and from and after such vote it shall have all the powers and rights in relation to the new purposes that it previously had in relation to its original purposes.

SECTION 6. The officers of such districts shall consist of a moderator, a clerk, three commissioners, a treasurer, and such other officers and agents as the voters thereof may judge necessary for managing the district's affairs, or as may be directed by law to be chosen.

SECTION 7. The moderator, clerk, treasurer, and commissioners shall severally qualify and possess the same powers and perform the same duties in respect to the district's meetings and business affairs that the moderator, clerk, treasurer, and selectmen of towns respectively possess and perform in respect to like matters in towns. They shall hold office for one year and until their successors are chosen and qualified. The commissioners shall fill vacancies in the offices of clerk and treasurer and in their own board, in the same manner as selectmen are required to fill vacancies in corresponding town offices.

SECTION 8. The annual meetings of such districts shall be holden in the month of March each year, beginning with the March next succeeding the establishment thereof.

SECTION 9. In case of a vacancy in the office of commissioners, or of their neglect or refusal to warn a meeting or insert an article in the warrant, or of failure to hold an annual meeting, a meeting of the district may be called and warned in the same manner as in like cases in towns.

SECTION 10. Upon petition of ten or more legal voters to the commissioners of any such district, they shall prepare, post, and correct a check-list of the legal voters of the district for use at any meeting, as supervisors of the check-list are required to do in

case of towns; and such check-list may be used in the election of officers or otherwise as a check-list may be used in town meetings.

SECTION 11. Whenever the district votes to raise money by taxation for any of its purposes, the clerk shall, within ten days thereafter, deliver a certified copy of such vote to the selectmen of each town which contains any part of the district. If the district is situated wholly within one town, the tax shall be assessed by the selectmen of that town and committed to the collector of taxes thereof as required by law. If it is situated in two or more towns, the selectmen of all such towns shall act together as joint-board in assessing such taxes, and shall make due return thereof to the town clerk of each town, and shall commit said taxes to some person by them to be appointed, with a warrant under their hands and seal requiring him to collect the same and pay the money so collected to the treasurer of the district; and such collector shall qualify, and shall perform the duties and have the powers in respect to such taxes that collectors of towns have in respect to taxes committed to them for collection. The power to abate and correct the assessment of such taxes shall belong to the board authorized to assess them; and aggrieved parties shall have the same remedies for relief as in case of town taxes.

SECTION 12. If any such district cannot obtain for a reasonable price any land or easement in land required by it for its purposes, it may, through its commissioners or other duly authorized agents, make and file in the town clerk's office of each town in which such land is situated a description thereof by reference to permanent bounds or other means of description, and petition the selectmen of the town or towns in which the district is situated for the assessment of the owner's damages. All subsequent proceedings and rights of all parties in interest shall be the same as in taking land for highways located in one town or two adjoining towns, as the case may be.

SECTION 14. The clerk of any district having firewards or engineers shall forthwith, after their election, from time to time report their names and post-office addresses to the town clerks of the towns in which the district is situated; and if he fails to do so he shall be fined twenty dollars, one half for the use of the complainant, and the other half for the use of the town.

SECTION 15. Any such district, and any district now in existence having the rights and powers of a village fire district, may, by a two-thirds vote of its legal voters, terminate its existence and dispose of its corporate property.

SECTION 16. Village districts and precincts established under laws heretofore in force may adopt the provisions of this chapter, and thereupon shall have the rights conferred thereby and be governed by the same. Unless they do so, the laws under which they were organized shall continue in force as to them notwithstanding their repeal in general terms.
